

GROUP EXPECTATIONS

These are expectations that help to keep the environment safe for everyone.

Expectations for your actions:

1. Please allow one person to speak at a time.
2. Profane or discriminatory language is unacceptable.
3. Please mute yourself when not speaking to minimize background noise.
4. If you have a circumstance that affects your attendance, we ask that you let your host know in advance.
5. All participants are expected to have their video function turned on during the session. We need to see you to ensure your participation.

Expectations for confidentiality:

6. It is never OK to repeat what others have said or shared in the session.
7. It is important that you attend the session in a quiet and confidential location
8. Photographing or recording the session is prohibited.

Expectations for the clinician:

9. The host will start and end the session on time.
10. The host will adhere to the same expectations that group members are asked to follow.
11. Staff will create an environment that is safe and comfortable for all participants.
12. We will uphold the expectations in a fair manner for everyone in attendance.
