

Preferred Skilled Nursing Facility Network

The Delaware Valley Accountable Care Organization is proud to announce our 2022 Preferred Skilled Nursing Facility Network. Our Preferred Network list of skilled nursing facilities (SNFs) is developed to help our patients, our physicians, our hospitals, and other healthcare collaborators identify SNFs that achieve high standards for quality and demonstrate strong partnership and collaboration with partner organizations. Our preferred SNFs applied to participate in our Network and were selected by our team of post-acute care experts based on specific measures of quality, clinical services, use of technology, and partnership and collaboration.

Our Preferred SNF providers list will be reviewed and updated regularly to assure continued high quality of our partners in the DVACO Preferred SNF Network.

Please refer to our website on a regular basis for updates to our [Preferred Skilled Nursing Facility Network](https://dvaco.org/preferred-partners-2/) (<https://dvaco.org/preferred-partners-2/>)
