

Preferred Home Health Organization Network

Our Preferred Organizations were selected to help our patients, our physicians, our hospitals and other healthcare collaborators identify Home Health Organizations that achieve high standards for quality and demonstrate strong partnership and collaboration with partner organizations. Our preferred Home Health Organizations were selected by our team of post-acute care experts and are based on cost efficiency and quality metrics measures with our organizations demonstrating superior cost efficiency and quality metrics compared to our entire panel of home health providers.

Our Preferred Home Health providers list will be reviewed and updated regularly to assure continued high quality of our partners in the DVACO Preferred Home Health Network.

Please refer to our website on a regular basis for updates to our [Preferred Home Health Organization Network](https://dvaco.org/preferred-partners-2/) (<https://dvaco.org/preferred-partners-2/>)
